WHO First Global Conference on Air Pollution and Health
30 October – 1 November 2018
Geneva, Switzerland

Ms. Shazia Z. Rafi
President & Convenor
Sustainable-World Inc.-AirQualityAsia

Goals, Standards and Plans to Combat Air-Pollution:

AirQualityAsia commits to strengthening the work of parliamentarians in national environmental health policy to implement the UN Sustainable Development Goals 2030 related to clean air - namely targets 3.9, 11.6 and 12.4.
